This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

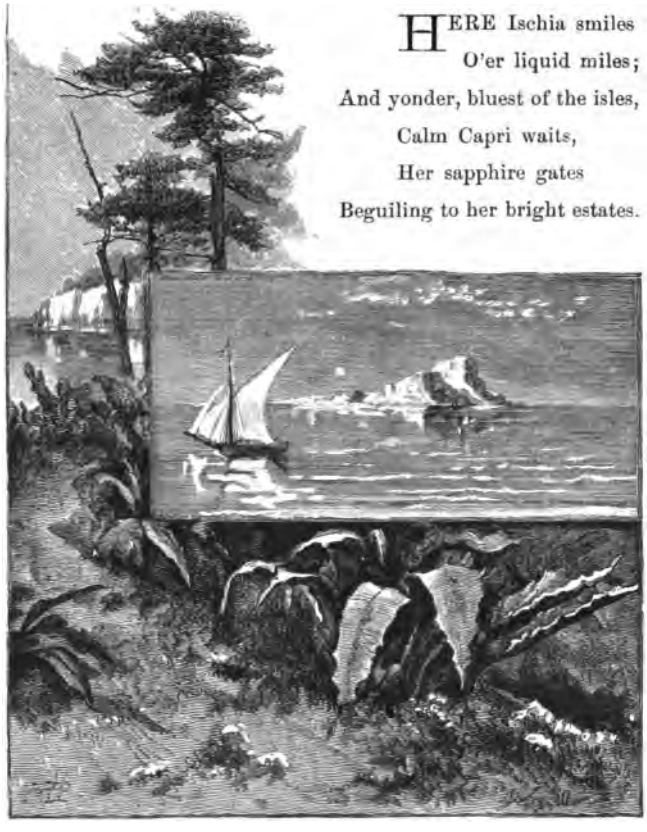
MY soul to-day
Is far away,
Sailing the Vesuvian Bay;
My wingéd boat,
A bird afloat,
Swims round the purple peaks remote:—

ROUND purple peaks
It sails, and seeks
Blue inlets and their crystal creeks,
Where high rocks throw,
Through deeps below,
A duplicated golden glow.

FAR, vague, and dim,
The mountains swim;
While on Vesuvius' misty brim,
With outstretched hands,
The gray smoke stands
O'erlooking the volcanic lands.

IN lofty lines,
'Mid palms and pines,
And olives, aloes, elms, and vines,
Sorrento swings
On sunset wings,
Where Tasso's spirit soars and sings.



HERE Ischia smiles
O'er liquid miles;
And yonder, bluest of the isles,
Calm Capri waits,
Her sapphire gates
Beguiling to her bright estates.

I HEED not, if
My rippling skiff
Float swift or slow from cliff to cliff;—
With dreamful eyes
My spirit lies
Under the walls of Paradise.

Under the walls
Where swells and falls
The Bay's deep breast at intervals

At peace I lie,
Blown softly by,
A cloud upon this liquid sky.

The day, so mild,
Is Heaven's own child,
With Earth and Ocean reconciled;—
The airs I feel
Around me steal
Are murmuring to the murmuring keel.

OVER the rail
My hand I trail
Within the shadow of the sail,
A joy intense,
The cooling sense
Glides down my drowsy indolence.

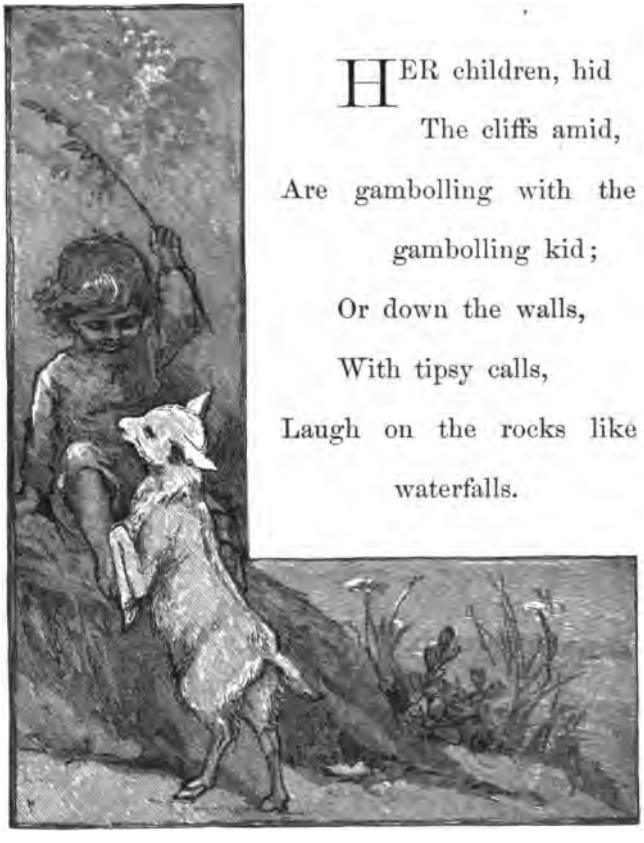
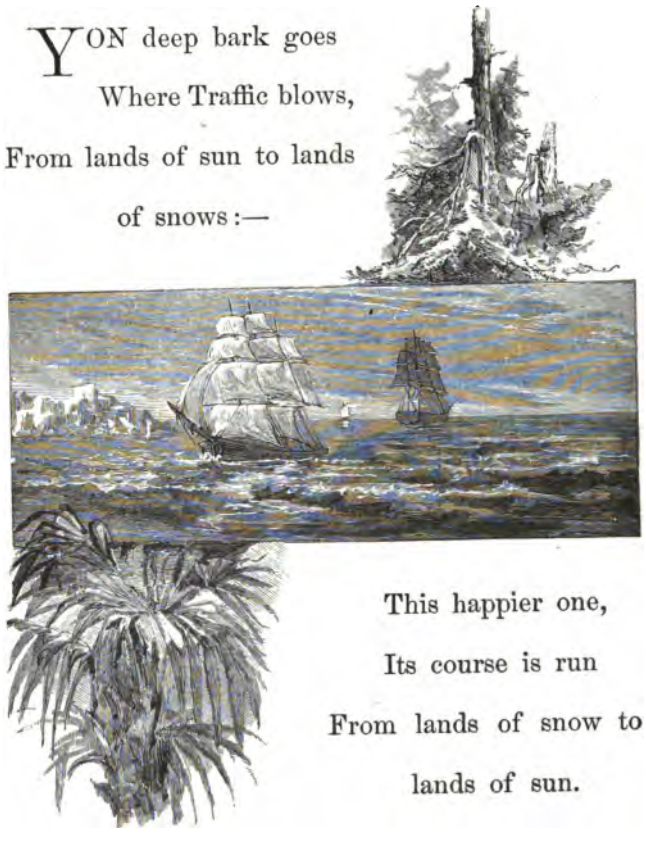
WITH dreamful eyes
My spirit lies
Where Summer sings and never dies,—
O'erveiled with vines,
She glows and shines
Among her future oil and wines.



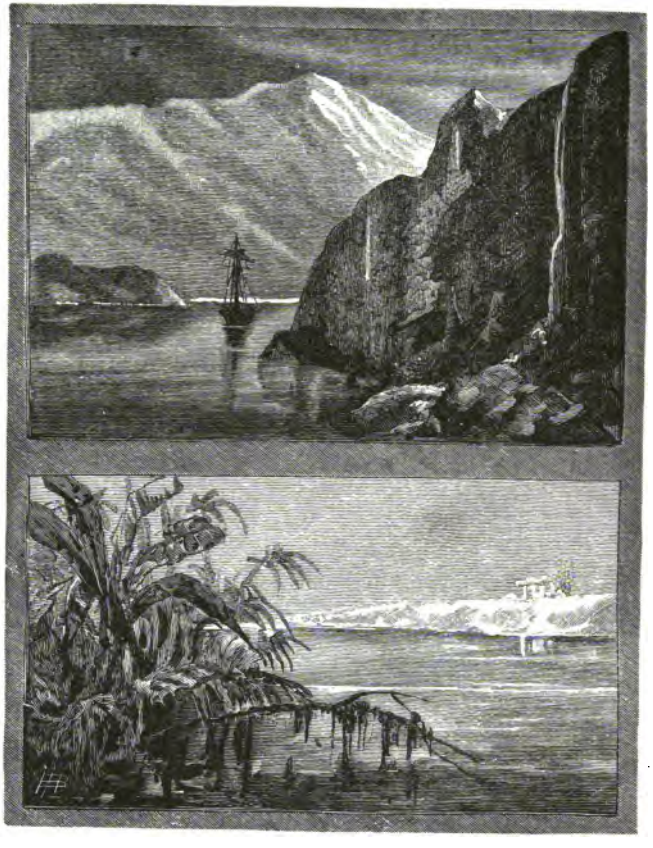
HER children, hid
The cliffs amid,
Are gambolling with the
gambolling kid;
Or down the walls,
With tipsy calls,
Laugh on the rocks like
waterfalls.

THE fisher's child,
With tresses wild,
Unto the smooth, bright sand beguiled,
With glowing lips
Sings as she skips,
Or gazes at the far-off ships.

YON deep bark goes
Where Traffic blows,
From lands of sun to lands
of snows:—



This happier one,
Its course is run
From lands of snow to
lands of sun.



O HAPPY ship,
To rise and dip,
With the blue crystal at your lip!
O happy crew,
My heart with you
Sails, and sails, and sings anew!

NO more, no more
The worldly shore
Upbraids me with its loud uproar!
With dreamful eyes
My spirit lies
Under the walls of Paradise!
